

# the SNOW-TRAC and SNOW-MASTER

## Electrical equipment

Headlights  
 Directional indicators with indicator lights  
 Battery 12 V 85 Ah  
 Speedometer  
 Hour meter  
 Gas gauge  
 Oil temperature gauge  
 Oil pressure and charging control light  
 Tail lamp  
 2-speed windshield wipers  
 Horn  
 Ignition lock  
 Light switch  
 Indoor light

## Accessories

Snow-roller, rear mounted. Width 94.5 ins (2.4 m) or 141.7 ins (3.6 m). Complete with fastening irons.  
 Hydraulic equipment for both types of snow-rollers.  
 Bulldozer blade, width 102.4 ins (2.6 m), with support ski. To be fitted in the fastening irons for snow-roller.  
 AKTIV forest trailer-sled. Max load 2205 lbs (1000 kg).  
 SNOW-TRAC-sled. Loading area 98.4x70.5 ins (250x179 cm). Max load 3304 lbs. (1500 kg).  
 AKTIV tracking unit for single and double track.  
 AKTIV trac float for single and double track.  
 Mechanical snow compactor for preparing winterroads and ski trails. Width 94.5 ins (2.4 m).  
 AKTIV snow grader with roller, width 70.9 ins (1.8 m).  
 Towing rope for 15 people.

## Extra equipment

|   |                                      |
|---|--------------------------------------|
| Gas heater                                    | Tachometer                           |
| Electrical winch                              | Dome lamp                            |
| Safety belts                                  | Engine heater                        |
| Extra fuel tank 10.6 U.S. Gallons (40 liters) | Fire extinguisher                    |
| Rotating warning light                        | Oil pressure gauge                   |
| Outer rear view mirrors                       | Electrical windshield washer         |
| Rear light                                    | High cleats on driving tracs for ST4 |
| Locked filler cap                             | Extra Oil cooler                     |
| Rear ambulance door                           | Sprocket for higher speed            |
| Search light                                  | Indoor upholstery for cab            |
| Strong tone horn                              |                                      |

## Performance

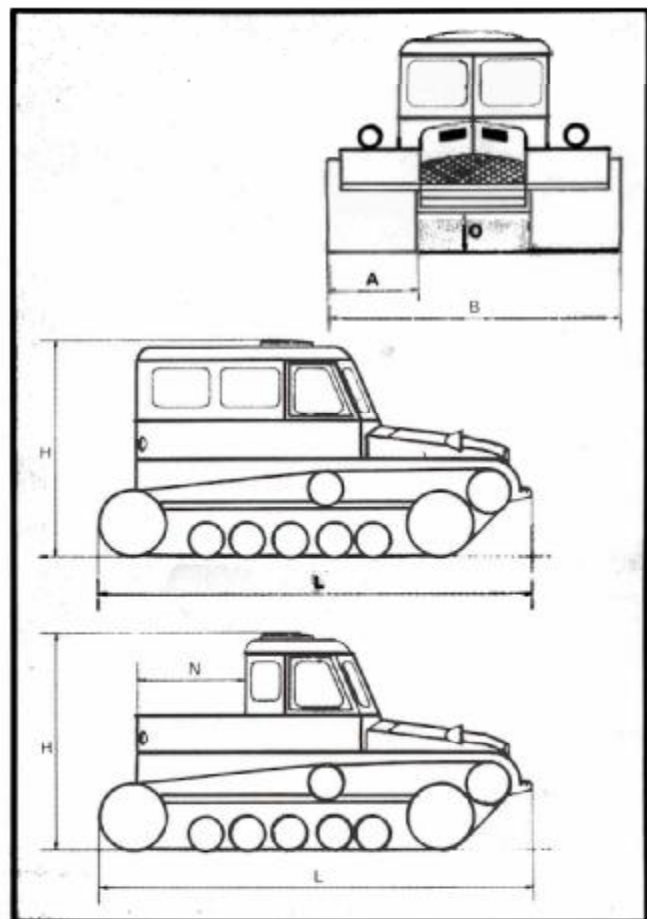

|                                   | SNOW-TRAC                              | SNOW-MASTER                          |
|-----------------------------------|--|--------------------------------------|
| Number of passengers              |  |                                      |
| cab for 7 people                  | 6                                      | 6                                    |
| cab for 3 people                  | 2                                      | 2                                    |
| Loading capacity                  | 1100 lbs (500 kg)                      | 1100 lbs (500 kg)                    |
| Ground pressure without equipment | 0.6 lb/sq. in. (40 g/cm <sup>2</sup> ) | 1 lb/sq. in. (70 g/cm <sup>2</sup> ) |
| Towing capacity                   | 1100 lbs (500 kp)                      | 1100 lbs (500 kp)                    |
| Kerb weight                       | 3196 lbs (1450 kg)                     | 3748 lbs (1700 kg)                   |
| Total weight                      | 4300 lbs (1950 kg)                     | 4850 lbs (2200 kg)                   |
