

THE CHAMPION

WITH ITS 224 HP JOHN DEERE ENGINE, THE BR 400 IS THE MOST POWERFUL VEHICLE IN ITS CATEGORY, ALWAYS READY FOR TOUGH WORK.

Leveling moguls, the BR 400 robust blade gives you a strong hand.

The BR 400 thrives on work well done. Leaves a steady track wherever it goes.

Its compaction bar is most efficient over new snow.

Other accessories can also be adapted to the BR 400. The rotary tiller is ideal to break up icy surfaces.
